

LearnMate Project: Can Crusher

Category	LearnMate Projects
Duration	15 Hours
Software Supplied	-

The Can Crusher Project

The Design Process

Documentation

1: Problem Identification

1.1: Specifications

1.2: Problem Clarification

2: Brainstorming

3: Analysis

4. Prototyping

5: Testing and Optimization

5.1: Optimization

5.2: Testing Modifications

6: Presentation

Conclusion
